

## **CHINGARI JEWELLERY- Adding a SPARK-le to your life...**

Chingari Jewellery, based in Chennai, offers handmade, ethnic and contemporary jewellery which can also be customised to individual taste. Chingari's USP is its uniqueness and affordability.

Chingari sources raw materials from far and near – Jaipur, Bangalore, Bijapur, Kalimpong, Bangkok, USA and Chennai are just some of the places. These materials are put together in elegant designs by Kavitha Sridharan. Chingari's web site <http://chingarijewellery.com> has images of the type of jewellery available. One is also very impressed with the type of very positive testimonials it has attracted. Here is a sample:

**“I have been recommending to all my friends and will recommend more.. cos the brand is trustworthy; the designer is so warm and friendly..” – Archana**

Kavitha Sridharan, the lady behind this venture, was working with an international bank till her desire to be creative and her passion for the crafts of India led her to start the path breaking **Chingari Jewellery**. Kavitha also works with some NGOs and women's Self Help Groups that make Jute bags, Screw pine bags and other handicrafts. She supports them by getting orders and giving them design inputs etc. They undertake printing orders of many sorts.
